CASH WHEN YOU'RE HOSPITALIZED.

A hospital stay comes with costs your medical plan doesn't cover. This plan pays fixed cash benefits directly to you — \$1,500 on admission and \$200 a day while you're confined — to spend however you need.

PAIRS PERFECTLY WITH THE HDHP.

On a high-deductible plan, one hospital stay can mean paying your full deductible. Hospital indemnity cash helps bridge exactly that gap.

EASY TO HAVE.

Guaranteed issue with no health questions, no network restrictions, covers childbirth admissions, and it's portable if you leave the company.
