■ BECAUSE ACCIDENTS HAPPEN.

A kid's broken arm at soccer practice, a weekend bike crash — accident insurance pays fixed cash benefits directly to you when a covered injury happens, on or off the job.

■ MONEY YOU DECIDE HOW TO USE.

Benefits pay on top of your medical plan. Put the cash toward your deductible, physical therapy, or the everyday bills that don't stop while you recover.

■ THE WHOLE FAMILY, ONE PLAN.

Cover your spouse and children under the same schedule of benefits, with no health questions to enroll — and a \$50 annual wellness benefit per covered person.
