■ A DIAGNOSIS SHOULDN'T BANKRUPT YOU.

Critical illness insurance pays a \$20,000 lump sum in cash, directly to you, upon diagnosis of a covered condition like cancer, a heart attack, or a stroke.

■ MONEY FOR WHAT MEDICAL PLANS MISS.

Travel for treatment, time off work, childcare, rent — the benefit is yours to use however recovery requires.

■ FAMILY COVERAGE AND A WELLNESS BONUS.

Your spouse is covered at 50% and children at 25% of your benefit, and you earn \$75 every year just for completing a health screening.
